

Over 66,000 people enjoy Christmas with Fundación Cepsa

- **The Fundación Cepsa has organized a host of Christmas activities in Santa Cruz de Tenerife, which have been enjoyed by over 66,000 people, both inhabitants and visitors to the city**
- **The Tenerife Children's Park, which received more than 44,000 visits this Christmas, has definitely been one of the most popular initiatives.**

Over 20,000 spectators were thrilled by the Santa Cruz de Tenerife Port Authority's Christmas Concert, sponsored by the Cepsa Foundation. This was a spectacular live concert in the open air in the Santa Cruz port on the night of 25 December, in which Víctor Pablo Pérez conducted the Tenerife Symphony Orchestra and the soprano Ainhoa Arteta.

Thanks to the "Intergenerational visits to the Palmétum gardens" program, organized in collaboration with the Santa Cruz Sustainable Foundation, 210 citizens enjoyed free access with their families to this magnificent botanical garden, guided by specialized environmental monitors.

Nearly 2,000 children between the ages of 3 and 12 went to the Christmas Marquee in Los Sabandeños Square during the school holidays. Their parents were able to leave them in a closed recreational-educational space, with specialized monitors at their disposal.

Fundación Cepsa is a general interest, non-profit entity with the goal of undertaking initiatives to serve the needs and priorities of the local communities where its founder, COMPAÑÍA ESPAÑOLA DE PETRÓLEOS S.A.U. (Cepsa), conducts its activities. The areas of action for Fundación Cepsa are social, cultural, environmental, scientific-educational, and support for amateur sports.
