The decision of the jury, composed of authorities and institutional representatives working in the field of social action as well as members of Fundación Cepsa, will be announced in November.

Social Value Awards

The Social Value Awards recognize and promote social projects that foster the inclusion and well-being of several collectives in a situation of social vulnerability: people with diseases, unemployed, people with physical or intellectual disabilities, ethnic minorities, children, young people and adolescents, the elderly, minors or victims of gender-based violence, among others.

The Social Value Awards have handed out more than €2 million since their beginnings, and have contributed to the launches of 272 projects in Spain, Portugal, Colombia and Brazil.

Fundación Cepsa is a general interest, non-profit entity with the goal of undertaking initiatives to serve the needs and priorities of the local communities where its founder, COMPAÑÍA ESPAÑOLA DE PETRÓLEOS S.A.U.
