2021 Social Value Award Candidates

The aim of the awards is to recognize and promote social initiatives that foster the inclusion and well-being of disadvantaged groups or individuals, as well as to promote these values among Cepsa staff, who will be sponsors of these projects, introducing the entities interested in participating in these awards. There will be up to €65,000 in prize money for the Campo de Gibraltar area. In total, some €500,000 will be handed out to the best social projects in all the areas in which the competition is being run. In this edition, projects related to sustainability and ecological transition will be valued.

Employees' Special Award

Since 2012, Cepsa staff themselves have given out an Employees' Special Award as part of the Social Value Awards. They will choose five winners from among the 14 projects selected by the various juries in Spain, Colombia, Brazil, and Portugal, and the results will be announced in mid-December.
